FOR NEW MAIL BIDDERS

If you have never before bid by mail, an explanation is needed. Basically, the procedure is quite simple. You will notice on the enclosed Mail Bid Form a place for entering the Lot Number as well as the amount you wish to bid. After carefully reading the description of the Lot in question, simply write down the Lot Number and the maximum amount you are willing to pay in the appropriate columns. For example, let's assume you are interested in bidding on Lot No. 145. Determine the maximum price you will pay for this Lot and enter this amount on the Mail Bid Form as follows:

Lot	Bid		Lot	Bid	
145	90	00			

You will note we have used the term "maximum amount" above. The bid which you enter is the "maximum amount" or top price you will pay for a lot (unless you have checked one of the increase boxes). However, there is always the chance you may obtain the Lot for less! As indicated in our "Terms and Conditions Governing Sale," we act as your agent and execute your bids as if you were there in person at the Sale. We will buy the Lot for you as cheaply as possible over the next highest bid. In other words, if your bid, for example, is $90.00 on Lot No. 145, and the next highest bid, whether by mail or floor, is only $70.00, the Lot would be awarded to you at $75.00, or a nominal 5% to 10% increase over the next highest bid.

Before entering your bids, please read carefully our "TERMS AND CONDITIONS GOVERNING SALE." Bidding by mail permits the individual to participate in the auction sale just as though he were able to attend the Sale in person. Many rarities are obtained through the medium of auction sales, and it can be a very exciting as well as a rewarding method of obtaining wonderful items for your collection. We look forward to your participation in our Sales.

Thank you,

The Auction Department
Superior Galleries

TERMS AND CONDITIONS GOVERNING SALE

The lots listed in this catalogue will be offered and sold subject to the following terms and conditions:

1. The highest bidder acknowledged by the auctioneer shall be the buyer. In the event of any dispute between bidders, the auctioneer's determination shall be final.

2. New bidders who have not previously established credit must furnish satisfactory references well in advance of sale date, or send a deposit of 25% of their bids, applicable to purchases. Any portion of such deposit not used will be promptly refunded after sale. We reserve the right to require payment in full before delivery of merchandise.

3. We will execute your bids without charging a commission. These bids will be treated as limits. In general, we will start a lot at a small advance over the next to the highest bid. We can neither correct nor assume responsibility for any errors as to amount or lot numbers in bid sheets, so please recheck to make sure you have bid on the exact lots you want. We will not accept bids from minors.

4. California residents must pay state sales tax. Postage and insurance will be added to invoices for lots to be mailed to successful bidders. All lots sent registered mail. **Overseas buyers must furnish their own insurance.**

5. **All items in this sale are guaranteed genuine**, and as described in the catalogue. Claims to the contrary must be made within three days of receipt by the buyer. Lots may not be returned without our written permission. No lots purchased by floor buyers may be returned. **Title remains with Superior Stamp & Coin Co., Inc., until invoices are paid in full.**

6. Auction sales are strictly for cash and lots must be paid for immediately in U.S. funds.

7. Where estimates are given, they represent either the owner's idea of value or our professional opinion as to what they should bring. **IN ANY EVENT, THEY ARE ONLY ESTIMATES AND YOU CAN BID HIGHER OR LOWER.** We recommend, however, if you want the lot, bid close to or over estimate. For some of the lots, we have indicated the number of known pieces and, in some cases, we have described certain coins as possibly the finest known. These descriptions are only the cataloguer's opinion, after much research.

8. **The possibility exists that some lots could be misattributed and should this occur, mail bidders may return lots within three days of receipt. Floor bidders are urged to examine lots prior to bidding, since there are no return privileges for coins purchased on the floor.**

NOTICE OF EXHIBITION

Lots will be on exhibit each day, starting August 28th through October 4th from 10 o'clock A.M. until 3:30 P.M. at our store – 9301 Wilshire Boulevard, Beverly Hills, California. We recommend that you call or write for an appointment to view lots. Phone (213) 272-0851 or 278-9740.

All photographs in this catalogue are of the actual lots being sold. **You may bid generously with the assurance that you will buy the lots for less, if it is at all possible. Your bids are kept confidential and we will not disclose any mail bids.** If you have any questions about this sale, please write or call us.

A MAJOR CANADIAN RARITY

286 CANADA. Sovereign, 1916-C. F-2. Canada's rarest gold coin, among the rarest gold coins in the world. Of a total mintage of 6,111 pieces, less than 10 specimens are known today. J.E. Charlton, in his book - 1978 Standard Catalogue of Canadian Coins, Tokens and Paper Money, attributes this incredibly low number of surviving specimens to the melting of the vast majority of the total mintage. In Februrary of this year a similar specimen was sold by a major west coast auction firm and realized $17,000.00. It was purchased by a major numismatic firm in London. To the best of our knowledge, this is the only available specimen being offered today.
This coin displays fully lustrous surfaces with some extremely light handling marks. One tiny rim nick at 10:00. A certificate of authenticity, (ANACS), will accompany this great rarity. Uncirculated. PHOTO .....($16,000.00 – UP)

THE CONTINENTAL DOLLAR

981 1776 Continental Dollar struck in Pewter. CURENCY. Extremely Fine 40, well struck and well centered and free from the rust and stains that seem to plague so many of these historically important dollars. NICKEL FIVE–CENT PIECES

Shield Type

RARE 1866 PROOF NICKEL

1064 1866. Brilliant Proof 60 to 65. Plain center dot on both sides. A lovely example with the faintest hint of steel toning; obverse choice with only a tiny mark or two, while the reverse has some scattered flyspecks, none too serious. This piece is an excellent example, as many of the surviving Proofs of this date are spotty, stained, dull or poorly cleaned. One of the better survivors of the 125 originally minted for the sets (there may also have been a few extra to mark the beginning of the denomination). Highly prized both as a first year of denomination and as a low mintage, next to which the 1877 is common; in fact, lowest Proof mintage of the denomination. Acquired at our Dr. Davenport Sale, Lot 114, which realized $1700.00. PHOTO. . . . . ($1700.00-$2200.00)
